No. Dy. CMM/HQ/Bid document Pt. Dated. -/09/2025

All concerned

Sub : Clarification regarding submission of self-certified annexure'B' by bidders in Stores Tenders.

Ref : (i) Rly Board's letter No: 2024/RS(G)/164/VIG/4 Dated 27/05/2025
(ii) CLW bid document REV-III

***

As per bid document REV-III para 20.0, it is mandatory for the tenderer to submit the signed copy of annexure'B' failing which their offer will be summarily rejected.

However, now CRIS has developed a system in IREPS as per which bidders have to mandatorily sign all conditions (mentioned in annexure'B') digitally and firms are signing it digitally in system during submitting their offer. Therefore,there is no need to insist the firm to submit annexure'B'.

It is, therefore, clarified that declaration given in tender by bidder in digitally signed form or uploading of signed copy of Annexure'B' with offer has the same weightage .

This clarification is issued with the approval of PCMM.
