No. CMM/CRJ/Tender Policy/2019/1

Date: 08.06.2019

**All Officers of Stores Department,
CLW/Chittaranjan.**

Sub: Submission of certificate for claiming benefits under 'Make in India' policy for tender valuing Rs.10Cr. and above.

Ref: Railway Board Letter No. 2015/RS/(G)/779/5 dated 03.08.2017.

As per the tender conditions, for tender valuing Rs.10 Cr. and above firm claiming benefits under 'Make in India' policy, is required to submit the certificate from the statutory auditor or cost auditor of the company [in the case of companies] or from a practicing cost accountant or practicing chartered accountant [in respect of suppliers other than companies] giving the percentage of local content.

It is observed that while claiming the benefits under 'Make in India' policy in tenders valuing Rs.10 Cr. and above, firms are not attaching the certificate as per the tender conditions and benefits under 'Make in India' policy is being allowed based on declaration of the firm.

All concerned are advised to incorporate a condition in the tenders valuing Rs. 10 Cr. and above, that *"a firm claiming benefits under 'make in India' policy is required to submit requisite certificate (as applicable) as per the tender condition along with their offer, otherwise benefits under 'Make in India' policy shall not be given"*. Necessary amendment for tender yet not opened may please be issued.

This has the approval of PCMM.
