

OFFICE ORDER

Subject: **Extension of delivery periods in case of developmental orders.**

Reference: Observations of the General Manager while accepting TCR against Tender No.70/19/0052 opened on 17.12.2018.

While accepting the recommendations of tender committee in the subject tender case as above, it was observed by the General Manager that the developmental orders are being placed without prescribing any timelines for various stages of development. It was further directed that the extension of delivery periods in case of developmental orders (irrespective of value) will be done by concerned stores officers with consent of the PCEE/CLW. For implementation of guidelines of timelines for various stages of development, PCEE/CLW has already given timeline for development of items.

In view of above, all stores officers must obtain the consent of the PCEE/CLW before extension of delivery periods in case of developmental orders.
