

No. C-D&D/T/24 (Part-II/Siemens)

Date: As signed

M/s Siemens Ltd.

Plot 6A, Maruti Industrial Area,
Huda, Sector 18, Gurgaon- 112 015

Sub: Approval of software ver. 2.05B for M/s Siemens make Three phase drive propulsion system for WAP-7 locos.

Ref.: i) M/s Siemens letter no. SMO/RS/Propulsion/Reliability Progress-III dated 06.03.2024
ii) M/s Siemens letter no. SMO/RS/Propulsion/Reliability Progress-III-2 dated 08.03.2024
iii) MoM for meeting held on 16.02.2024

- 1.0** In response to reference above, competent authority has accorded permission to download interim software ver. 2.05B in all WAP-7 locos fitted with M/s Siemens make Propulsion system to address the issue of TC cutout after neutral section and VCB not closing after neutral section by introducing 05 sec. delay in VCB closing. Hence, it is requested to update the software ver. 2.05B in field in all WAP-7 locos with next 07 days
- 2.0** Final software without 05 sec. delay shall be provided by end of March'2024 in compliance to the decision taken during meeting held on 16.02.2024.

Comments/feedback/issues if any may be sent to this office on ceednd@clw.railnet.gov.in & dyceedd@clw.railnet.gov.in.
