Sub: Request for Approval of Updated RIC Software Version 01.05

Dear Sir,

With reference to the above subject line, we would like to inform you that the current CLW-approved RIC software version for the Auxiliary converter is 01.04. Due to the unavailability of a present controller 9S12XDP512 of Freescale make, we have ported the same software to an equivalent part 9S12XEP100 of same family and updated the software version to 01.05.

We kindly request your approval for RIC software version 01.05. Please find attached the previous CLW approval for your reference.

Thank You

Yours faithfully,
For Medha Servo Drives Pvt. Ltd.,

M.V. Ravi Kumar
General Manager (Mktg.)
