Press Release

CLW Launches Year-Round Cleanliness Initiative to Promote a Healthy Work Environment

Chittaranjan, 16.10.24:-

Chittaranjan Locomotive Works (CLW) has launched a comprehensive cleanliness campaign in Chittaranjan Rail City with the aim of maintaining a clean and pure environment. As in previous years, CLW successfully conducted the "Swachhata Hi Seva - 2024" campaign from 14th September to 1st October 2024, under the theme "Swabhav Swachhata - Sanskar Swachhata." In continuation of this effort, Special Campaign 4.0 is currently being carried out from 2nd October to 31st October 2024.

To ensure sustained cleanliness, an agency has been appointed through the GeM (Government e-Marketplace) platform. This agency will be responsible for maintaining cleanliness across CLW offices throughout the year, ensuring high standards of hygiene in both offices and restrooms. The cleaning activities will be carried out by trained supervisors and staff to ensure quality and consistency.

With this initiative, CLW employees will benefit from a cleaner and healthier working environment, contributing to their well-being and productivity.
