

CHITTARANJAN LOCOMOTIVE WORKS

PRESS RELEASE

Stellar performance

CLW's All-time Best ever Production

Chittaranjan; 24.02.2025:

In a befitting celebration of Glorious 75 years of CLW & 100 years of electric traction in Indian Railways, Chittaranjan Locomotive Works (CLW), the leading electric locomotive production unit of Indian Railways has once again demonstrated its devotion, dedication and commitment by manufacturing 600 locomotives. The 600th Locomotive of Financial Year 2024-25 is WAG-9 Twin (EF12K loco no.65060A) has been dispatched today from CLW premises. The successful dispatch of the 600th electric locomotive of FY 24-25 is a testament to CLW's commitment for producing high-quality electric locomotives meeting the requirement of the Indian Railway. CLW is all set to establish new bench mark of production as there is still 35 days for completion of the current financial year.
