PRESS RELEASE

COSTING MANUAL RELEASED IN CLW

Chittaranjan.24 .09.2024:

A Costing Manual covering all the costing procedures was released by Shri Hitendra Malhotra, General Manager in CLW, today. The manual embodies the massive changes in the systems as well as advancements in computer programs. The manual revised so as to encompass the on-line modules such as on-line bill passing through IPAS, material management through IMMS, IREPS etc. The objective of compiling a revised Costing manual is to arrive at the production cost of locomotives & other components, following through a costing system taking guidelines from different codes and manuals.

Revised by CLW team, the Costing Manual will bring a lot of improvements in data flow and management of information for the users.

Shri Angshuman Sarkar, Principal Finance Adviser along with Principal heads of Departments, Senior officers were present during the inauguration.
