CLW Achieves Milestone: 200th locomotive of FY 2025-26 rolled out

CHITTARANJAN: 29.06.2025

CLW has manufactured 200 locos in 75 working days in the financial year 2025-26, which is the fastest 200 locos produced in the first quarter of any fiscal year. The 200th electric locomotive of the financial year 2025-26 was rolled out on 28.06.2025 from CLW workshop premises. This remarkable accomplishment was achieved in a record 75 working days, marking the fastest production rate in any fiscal year. It is to be mentioned here that for the financial year 2025-26, CLW has been given production target of 777 locomotives.

During the financial year 2024-25, 200 locos were produced & rolled out on 30.07.2024 in 102 working days in the first quarter of that fiscal year.

The production of a record 200 locos was achieved 27 days advance compared to the production of the same number of locomotives last year.

CLW's ancillary unit at Dankuni has contributed immensely in achieving this milestone. It has produced 48 locos, which is also the best ever first quarter production in any financial year.

Shri Vijay Kumar, General Manager congratulated the entire 'Team CLW' for this remarkable achievement.
