

CHITTARANJAN LOCOMOTIVE WORKS

PRESS RELEASE

MAN OF THE MONTH FOR FEB., 2025 AWARDED IN CLW

CHITTARANJAN; 11.03.2025:-

(1) Shri Amitava Roy, Sr.Section Engineer /ELS-19/Electrical, (2) Shri Abhijeet Kumar, Sr.Section Engineer /D&D/Electrical, (3) Shri Sumit Kumar, Sr.Section Engineer /Inspection-60(M)/Shell/Electrical, (4) Shri Pratap Singh, Sr.Technician(Crane Driver)/TM-23/Electrical, (5) Shri Mukesh Kumar , Sr. Technician /ELB-18/Mechanical, (6) Shri Salag Ram, Technician Gr.I(Crane Driver)/ELF-26/Mechanical have been awarded with the “Man of the Month” award for the month of February., 2025. The award is in their recognition of their exceptional performance, dedication, and contributions. Shri Vijay Kumar, General Manager gave away the award, today on 11.03.2025 & Congratulated.

Shri Amitava Roy manages the timely dispatch of commissioned locomotives from CLW. He coordinates with the testing section, arranges trial runs, identifies faults, ensures quick rectifications, and facilitates on-time dispatch with the Loco Pilot from Asansol.

Shri Abhijeet Kumar has drafted and uploaded tenders for key power and infrastructure projects at CLW, including a 2 MVA DG set for uninterrupted power, cable augmentation at KG Hospital, and undergrounding of the 11kV network for reliability. He also prepared technical specifications for a 10MVA transformer to enhance the main substation and a vertical turbine pump for the Sidhabari Pumping Station, ensuring a stable water supply.

Shri Sumit Kumar has shown exceptional dedication in shell fabrication inspection, ensuring precision and compliance with technical standards for locomotives like WAG-9HH, WAG-12 Twin, and WAP-5 Push-Pull aerodynamic. His efforts in digitalizing Inspection Certificates and upholding quality assurance have been crucial in maintaining top safety and fabrication standards.

Shri Pratap Singh has expertly operated cranes, ensuring damage-free handling of stators. His skilled workmanship has facilitated the smooth translation of stators from winding to connection as needed.

Shri Mukesh Kumar proactively minimizes internal NC from the Inspection Cell to enhance product quality. His efficiency in bogie assembly and process simplifications have significantly saved time.

Shri Salag Ram efficiently shifts loco shells and components on time while ensuring safety. With no complaints in the last financial year, he maintains strong rapport and effective communication with coworkers and supervisors.
