### PRESS RELEASE

CLW participates MET & HTS 2024 exhibition in Mumbai concludes: Grand display by CLW

Chittaranjan/Mumbai:06.09.2024

The three-day MET& HTS 2024 exhibition, held from 4 to 6 September 2024 in Mumbai, concluded today on 06.09.2024.

This exhibition was virtually inaugurated by Minister of State for Science and Technology (Independent Charge) Dr. Jitendra Singh on Wednesday 4.9.24. This exhibition mainly showcased new technologies, innovations and solutions related to materials and high-throughput screening (HTS) as well as modern techniques for investigation and testing of new and advanced materials. During this, Dr. Singh and Secretary / Department of Science and Technology, Shri Abhay Karandikar also addressed the online conference. In this exhibition, 600 representatives participated with about 300 stalls from more than 15 countries including Ministry of Railways, Ministry of Defense, Ministry of Steel, Department of Science and Technology, Department of Scientific and Industrial Research, in which the work being done by Chittaranjan Locomotive Works in the field of loco production has been displayed brilliantly.

On the second day of the exhibition, Additional Member (Production Unit) Shri S K Pankaj visited the CLW stall. He observed various locomotive models displayed by CLW and appreciated the exhibits.

Various types of infographics, models of electric locomotive WAP-5 Push-Pull enabled Amrit Bharat and WAG-9 have been displayed in the pavilion . These have attracted the attention of the visitors. Detailed information about various activities related to loco production in CLW was displayed through attractive posters.
