

CHITTARANJAN LOCOMOTIVE WORKSf.

PRESS RELEASE

SPECIAL TRAINING ON WELDING ORGANISED IN CLW

Chittaranjan; 02.12.2024

One time special training on welding and welder's certification for 360 welders of Chittaranjan Locomotive Works (CLW) is started from 02.12.2024 at Technical Training Centre in association with M/s Braithwaite Co.Ltd. The inaugural session was opened by Shri Hitendra Malhotra, General Manager at Bardhwar Hall in Technical Training Centre. Principal Head of departments, Sr.Officers, officers & trainee welders were present during the inaugural training session.

Shri Sanjeev Rastogi, Director (production) M/s Braithwaite Co.Ltd.was present during the inaugural session. Training of 20 welders in the first batch started from Today. The training will continue for six months for 360 welders in 18 batches and after completion, welders will be issued with pass certificates.

It is hoped that, the training will enhance the skill of welders and will improve the quality of the welding during fabrication of electric loco which will further improve the reliability of loco.
