CLW Hosts loco Reliability Meeting

Chittaranjan;10.05.24:-

A two-day meeting held at CLW Administrative Building from May 9th to 10th, 2024, focused on enhancing the reliability of Propulsion Systems and Hotel Load Converters in locomotives.

Chaired by Shri R.K Gupta, Principal Executive Director /RDSO, the meeting saw the active participation of Shri S.K Verma, Principal Chief Electrical Engineer / CLW, alongwith other Sr. officers from both CLW and RDSO, as well as representatives from key suppliers. Together, they engaged in in-depth discussions on vital subjects such as locomotive enhancement strategies and the status of pending orders.

The discussions emphasized collaborative efforts to drive innovation and reliability in locomotive technologies, aiming for safer and efficient rail operation
