1. AUXILIARY MACHINES & ACCESSORIES OF MACHINE ROOM:

Note:- (1) Approved sources of respective motors can also quote for complete blower assembly along with motor, in that case respective blower is to be procured from CLW's approved sources.

(2) In either case of participation, if one or both of the approved sources (the participating firm and the firm whose motor / blower is quoted by participating firm) is in Part-II category, the order may be placed considering status as Part-II. If both the firms are in Part-I category, the order should be placed considering status as Part-I.
